60.840 Department of Health and Human Services Fees.

In order to ensure the efficiency of human services in Lane County, the Department of Health and Human Services is authorized to collect fees for services.

When the fee is listed at actual cost or acquisition cost, this is to mean the actual cost of purchasing the service or product, rounded to the nearest dollar.

The Department Director, or designated program managers within the Department have authority to waive any fee in part or in whole for good cause shown or in circumstances where it is apparent that the client could not accept the services if a fee was required. Written documentation on these extenuating circumstances are to be kept on file. Fiscal records should reflect charges as per fee schedule, with balances shown for bad debts and for fees waived. Those fees for which a sliding fee scale is appropriate, will be discounted according to the annual Service Discount Schedule approved by the United States Department of Health and Human Services, Region X.

Pursuant to the authorization of ORS 431.415 and the authority of the Lane County Home Rule Charter, the following fees shall be charged by the Department of Health and Human Services and paid to Lane County for the following services. Any fee that is designated "Actual," or "Acquisition Cost" will be set at the beginning of each fiscal year, or as directed by the state. Lane County collects additional fees, which are not listed, for services to clients billed directly to various state agencies. 60.840 Department of Health and Human Services Fees.

In order to ensure the efficiency of human services in Lane County, the Department of Health and Human Services is authorized to collect fees for services.

When the fee is listed at actual cost or acquisition cost, this is to mean the actual cost of purchasing the service or product, rounded to the nearest dollar.

The Department Director, or designated program managers within the Department have authority to waive any fee in part or in whole for good cause shown or in circumstances where it is apparent that the client could not accept the services if a fee was required. Written documentation on these extenuating circumstances are to be kept on file. Fiscal records should reflect charges as per fee schedule, with balances shown for bad debts and for fees waived. Those fees for which a sliding fee scale is appropriate, will be discounted according to the annual Service Discount Schedule approved by the United States Department of Health and Human Services, Region X.

Pursuant to the authorization of ORS 431.415 and the authority of the Lane County Home Rule Charter, the following fees shall be charged by the Department of Health and Human Services and paid to Lane County for the following services. Any fee that is designated "Actual," or "Acquisition Cost" will be set at the beginning of each fiscal year, or as directed by the state. Lane County collects additional fees, which are not listed, for services to clients billed directly to various state agencies. These fees are set by the state agency and are not charged directly to clients. Examples of such fees are: Family Planning Expansion Project and Mental Health Residential daily rate.
